

***How then shall they call on Him in whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher? And how shall they preach unless they are sent? – Romans 10:14,15***

Dear Friends and Family:

How are you? It is hard to believe that this trip is finally happening. Two years ago Dominic and I attended an Overland Missions conference. Dominic's heart was touched at that conference and his heart has been guiding him towards Zambia. I made him a promise that if he stayed committed to his goal we would join Overland Missions on one of their Summer Expeditions in 2018. Dominic has stayed committed to his desire to go to Zambia. For the past two years he has collected supplies for the Kids4Christ program in Zambia, he has assisted with a Night of Worship to raise funds for the Kids4Christ program and he assembled supplies to go to the Kids4Christ program this past summer. Which brings us to planning our 2018 Expedition.

I would like to tell you about an exciting and God ordained opportunity we have – We are going to be a part of an Overland Missions expedition this coming summer!! After the Expedition we will be remaining in Chipepo to Assist the Krenz's on their Base for 30 days to assist them in their base needs. Overland Missions is a ministry founded by Philip and Sharon Smethurst that is committed to reaching the most neglected and remote people of the world with the Gospel and empowering the third world church by raising up strong indigenous leaders. Overland Missions believes that no location is too remote and no distance too far to travel for the sake of the Gospel.

The expedition we will be a part of will journey to remote villages to minister and serve the villages of Chipepo, Zambia. We will focus on evangelism and discipleship as we preach the Gospel and strengthen the local church. Our team will be a part of Overland Missions' vision of sector management, pioneering into new regions, building lasting relationships, and empowering the indigenous church to reach their own people.

You can help by partnering with me in prayer and finances for the expedition. The total cost of this expedition for both Dominic and I is \$6,745. This includes all travel costs to and from Zambia, as well as all costs for the 14 day expedition and 30 days in the field at the Chipepo Base. Would you pray about partnering with me with an offering of \$50 to \$350? If you are able to give more that would be great; however, any amount will be appreciated.

Online donations can be made at: [www.overlandmissions.com/donate/](http://www.overlandmissions.com/donate/); in the Donation Memo please designate to: AnnMarie Gerhardt – Zambia 2018 Expedition.
